**COMMUNICATION REGARDING FOREIGN/INTERNATIONAL FILING AND
RESCINDED NON-PUBLICATION REQUEST**

Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Sir:

Applicant filed a Request for Non-Publication with this application on January 26, 2001. Applicant subsequently filed a Request to Rescind Previous Non-Publication Request on September 18, 2001.

Applicant filed a corresponding PCT Application in the USPTO as the Receiving Office on September 18, 2001. The assignee has not entered the national stage in this PCT application.

It is respectfully submitted that because applicant filed a rescission of the Non-Publication Request no later than the International filing, applicant was not required to file a separate Notice of the International filing under 15 U.S.C. § 122(b)(2)(B)(iii), which section, on its face, appears to apply to applicants who file foreign/International applications without having rescinded the Non-Publication Request.

It is also applicant's understanding that the PTO considers the filing of a Request to Rescind to be a Notice of Subsequent Foreign Filing. This understanding derives from the Note on Form PTO/SB36 (4-01) (copy attached). PTO/SB36 (4-01) does not include an explicit Notice of Foreign or International filing, yet the Note indicates that filing the Request to Rescind is considered by the PTO as notice of International or foreign filing. Applicant's September 18, 2001 Request to Rescind was identical to Form PTO/SB36 (4-01), but without the Note. Because the Note is not an affirmative statement by applicant and is merely an explanation of how the PTO treats the applicant's statement above the note, applicant submits that the PTO

RECEIVED
JUN 10 2 33
TECHNOLOGY CENTER 2800

should treat applicant's Request to Rescind Previous Non-Publication Request as a notice of subsequent foreign or International filing, if the PTO deems such a notice as necessary in this application.

Applicant submits, therefore, that applicant has complied with 35 U.S.C. § 122 and that no further action is necessary to permit the prosecution of this application to go forward. If the Patent and Trademark Office considers that applicant has not complied with 35 U.S.C. § 122, applicant respectfully requests that this paper be considered the required notice of the filing of an foreign/International application, including a showing that the delay in submitting the Notice was unintentional. Under these circumstances, any failure to provide such notice within the 45 day period prescribed by 35 U.S. § 122 shall **not** result in the abandonment of the application. "A failure of the applicant to provide such notice within the prescribed period shall result in the application being regarded as abandoned, unless it is shown to the satisfaction of the Director that the delay in submitting the notice was unintentional." 35 U.S.C. § 122(b)(2)(B)(iii) (emphasis added).

If, notwithstanding the foregoing, the USPTO deems that a petition to revive under 37 C.F.R. § 1.137(b) is required to maintain this application, then applicant respectfully requests that this paper be treated as such. In this regard, applicant hereby states that the entire delay in submitting the requisite notice of a subsequent foreign or International filing required by 35 U.S.C. § 122(b)(2)(B)(iii) and 37 C.F.R. § 1.213(C) was unintentional, and authorization is given to charge our deposit account No. 19-0733 the necessary Petition fee of \$1300 (37 C.F.R. § 1.17(m)).

Respectfully submitted,

Christopher L. McKee
